

Are you in a LETSystem?

What is L.E.T.S?

LETS stands for Local Exchange Trading System. LETSystems are community based non-profit trading systems that enable members to trade services or goods which may be exchanged for "local" currency. HunterLETS units are called "Mollys". These are named after Molly Morgan who was a former local identity.

For the cost of a small annual fee, HunterLETS allows you to trade your services or goods. \$10 to join, 5\$ per year

How does LETS work?

It's a bit like the Yellow Pages and a Bank. LETS puts providers and needers in touch with each other, and then keeps a record of all transactions. But instead of cash, LETS uses local currency units (a LETS unit usually equals \$1).

Is it easy to earn LETS units?

Yes - sell unwanted goods, homemade jam, plants and spare produce, lend tools and equipment, mow lawns, clean house, sew, feed or mind pets, provide accommodation, tuition, entertainment, computer help, repairs etc. or you can give professional or business service.

To join

- Visit the web <http://www.communityexchange.net.au/>. Click the **Register** button and register with the **Hunter LETS** exchange **OR**
- Visit the website at www.auslets.org/hunter and print application form and send to Hunter LETS, 8-10 William Street, East Maitland NSW 2323 **OR**
- Send email to hunterlets@gmail.com and request application form.

Contact Hunter LETS Administration on 4933 2696 for further details
